Dan Sheets called the meeting to order. Liz Stitzel took roll call. Grant Mohler was noted as not present. Jay Moore was not present, but Alicia Albertson was present on Jay Moore's behalf.

**MINUTES**

**There were no minutes prepared to be voted and accepted.**

**OLD BUSINESS**

**None**

**PUBLIC HEARINGS**

**Application #CC-2025-00706. Docket #12-25** Consideration of a moratorium on the issuance of permits to any person, firm or entity seeking to place or install a Battery Farm on any property within the jurisdiction of the Plan Commission that will provide the Plan Commission with the opportunity to consider the adoption of ordinances to address the environmental, safety, and other issues arising from Battery Farms and to establish the best standards for the construction, operation and location of Battery Farms.

Liz Stitzel presented the proposed ordinance to be presented to the Clinton County Commissioners to place a moratorium on accepting permits or applications for Battery Farms in Clinton County. The proposed moratorium requested is to allow for standards and ordinances to be created that are appropriate for Battery Farms in an effort to have a more adequate review process. Dan Sheets asked if anyone present wanted to speak and the people who were in attendance did not express an interest to speak on the matter. After discussion amongst the Board, Kevin Myers made a motion to forward a favorable recommendation to the Clinton County Commissioners to adopt the proposed moratorium ordinance. Chad Colby seconded and, by a unanimous roll call vote, the favorable recommendation was affirmed.
