Discussion was held on the location of an EMS satellite station. EMS Director Greg Miller presented a report of the runs made by Medic 1, Medic 2, and Medic 14 calls. Medic 14 located in Mulberry and covers Mulberry and Rossville. The Mulberry Town Board requested that Medic 14 remain in Mulberry and offered to pay for the cost of addition to their station. The other possible location would be at Mattix Corner. The bid for the new EMS facility at the fairgrounds came in under budget. The remaining funds would be used for the satellite station along with township revenue and an encumbrance from the 2018 EMS lease payment that is not due until 2019. Discussion was held on the possibility of a satellite station on the east side of the county.

Meeting adjourned at 11:00 a.m.
